Customer Reviews

Don't bother...clearly the author has no idea what Keto means!

Potato chips, French fries, sweet potatoes, carrots, apples, pears, etc. The recipes may come out, I don't know, but if you are looking for low carb, you won't find much here. If you don't know how to make kale chips or zucchini chips, pick up this book if it's free, otherwise there's plenty of good recipes on the web.

If you're on the Keto diet, save your time & trouble downloading. Only a very few recipes are "Keto". Disappointing to say the least.
