Customer Reviews

I bought this sketch book for my niece who is 6 years old. The sketch book was nice but the front image was kind of blurry and the word "sketchbook" was splotchy and blurry as well. The front image could have looked better.

Bought this for my younger daughter's art class in school, she loves the cute design and I like the good quality paper.

Super cute notebook with printer quality paper.

My daughter loves this and uses it for a journal when she's upset.

The cover is a blurry knockoff obviously.

The cover of this sketchbook is very adorable and pretty. My daughter is very happy with it, and will use it during her art class.

My grandchildren really love creating pictures in this sketchbook.

Granddaughter loved this book .
