Customer Reviews

The 911SC owner could while away many happy hours discovering a host of fascinating new facts about his car by reading this book RETRO SPEED

Adrian Graham Streather was born on December 25, 1958. Upon leaving school he joined the Royal Australian Air Force (RAAF) in 1975, where he trained as a Scientific Instrument Maker and gained additional qualifications in the electronics field. Adrian is the author of a number of Porsche books published with Veloce, including several in their Essential Buyer's Guide Series.

Has promise but is not what I was looking for. Tries to give you details but then glosses over

them. Good example is talking about ride heights. Tells you what the ride heights should be down to the tenth of an inch but then doesn't mention how to adjust them.
