There are

so many people and groups in this story that it takes that long to update the reader on what everyone is doing. At the 40% mark the novel shifts into about two months worth of preparation and training. Everyone in the guild gets training galore. Dave learns new skills, gets loads of stats, and crafts some pretty nifty stuff. The Stone Raider $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ ,  $\phi$ s Guild also builds a hub that they plan to make the center of Emerilla and there $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ ,  $\phi$ s lots of construction stuff. There are personal developments for characters you $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ ,  $\phi$ ve come to like, including some that just made me go  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\tilde{E}ceAwwwww\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ ,  $\phi$ . At the 60% mark, Lord Esamael finally makes his grab for power and not only attacks his own king but the Stone Raiders too. Lots and lots of fighting. If you were looking forward to seeing Lord Esamael get his due, you won $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ ,  $\phi$ t be disappointed. Overall, a good story if you enjoy crafting, kingdom building, and action. Score: 7 out of 10.

Some of the best male and female relations between the main characters in recent memory. A fun premise and cathartic. By consistently providing entertaining work the author has easily earned the trust and support of his readers. The dialogue flows well, the plot and subplots are believable and entertaining. Foreshadowing is not overbearing and while a clearly transhumanist work in practice also clearly not targeted to insult people of faith..Well worth buying the series.

Here when I thought that our heroes are at the top of the world, he plays a fast one and introduce level 500 and level 1000 enemies...I am now again interested in how they progress. I hope Michael does not go crazy with Power Creep again.Regardless is a very fun book to read from cover to cover.

I just love this series! What can I say the characters are great and the world he has created is just jaw dropping. I also really appreciate how every book in this series is a contained story. The author brings a story line from start to conclusion, and while he leaves hints and threads about the over arching story, which keeps me anticipating the next book. I am not left anxious about whether or not a killing blow will fall or how a character will survive or die after falling off a cliff etc. Just a pleasure to read!

Awesome as always with: story, action, comedy with a little bit of cheesy romance. This book focused a little to story more,but I was necessary for the big battle of dark baddies that is to come. Can't wait, but I will

Omg another awesome and entertaining book. I CANT WAIT FOR THE NEXT ONE. I really enjoy the characters in this series of bookes. I would not minde see this in a movie or anime

I have enjoyed this series a lot and could hardly wait for this book and will be looking for the next in this series as soon as possible.

Mostly about set up for later books. The fights at the end were good though. More people are brought into the secret in this book.
