Each story is recorded by a native German speaker: At a natural speed for learners to understand what is being said. You receive 90 minutes of MP3 audio recording! There is no need for a dictionary. Each story is broken down with a German and English glossary that introduces you to the words and phrases you might not understand. This comes in handy because there is no need for the irritating process of flipping pages, continually searching for definitions or translations. A vocabulary recap at the end of each chapter allows you to review what you have read and listened to so you don't forget the essential words and expressions taught throughout the lesson. All stories are written using vocabulary that you could easily use in your day-to-day conversations. With this book and accompanying audio, you can start improving your German today!
