Foundations: A 260-Day Bible Reading Plan For Busy Believers (Journal)

Synopsis

The Bible, in and of itself, is a miracle. Think about it – over centuries of time, God supernaturally moved upon a number of men’s hearts, resulting in them writing down the exact words of God. God then led His people to recognize these divine writings and to distinguish them from everything else that has ever been written. Then God’s people brought these 66 books together. The preservation and survival of the Bible is as miraculous as its writing. Then God gave men technological knowledge to copy and transmit the Bible so that all people could have it. All of this took place because God has something to say to you. With Foundations, you can read through all 66 of the miraculous books of the Bible in one year, while still having the flexibility of reading 5 days per week. Along with supplementary devotional content each day, you can experience the miracle of reading and responding to the entirety of God’s Word. By using the H.E.A.R. journaling method, you will be guided through Highlighting, Explaining, Applying, and Responding to passages, allowing for practical application throughout the year-long plan.

Robby Gallaty is a friend, a godly husband and father, and a pastor who is passionate about the Word and discipling people. The resource he and Kandi, his wife, have developed, Foundations, is outstanding. Both new and seasoned believers often struggle with where to start in their study of God's Word. And not only where to start, but what to do after they have read a portion of Scripture. Studying Scripture can be overwhelming at times. Where do I begin? How do I make Bible reading a regular part of my life with my busy schedule? Robby and Kandi have answered all of those questions in this important resource. Not only have they identified key verses of Scripture to pore over, they have laid them out in such a way that you see the entire story arch of the Bible. They have chosen foundational passages of Scripture that every disciple needs to know so that you have an intentional plan as you go. Plus, they have provided a simple and easy tool to help you unpack Scripture in order to help you better understand and respond to God's Word. I trust Robby. His experience as a pastor who discipled others and faithfully teaches the Word gives him the necessary perspective to develop an important resource like this one. I challenge you to take this journey seriously. Devote time to it. Even partner with another believer or group and work through the material together. And watch and see how God will move in your life through the time you invest in His Word. Eric Geiger Vice President, LifeWay Christian Resources

Great reading plan! When combined by the H.E.A.R. Journaling method and prompter questions everyday, this is a valuable tool. Our oldest 4 children, along with my wife and I are doing this. Each do the study in the morning on their own, then in the evening we share out insights and responses to the reading. Very fruitful conversations take place each evening.

I am enjoying this method of Bible Study very much and the questions at the end of the page really help me to think through some of the devotional clearly and apply it.

Great book to read with the Bible. I like that you read more bible than commentary.

Really great reading plan

Makes reading the Bible meaningful and relevant to my life. Great book for reading the Bible.

Great

I love this study! It is set up to where you read about 2 chapters 5 days a week. I find that I am able to keep up with it without getting behind. It focuses on all of the major passages in the Bible and skips some of the less applicable chapters. I love the journaling method that goes along with it. I've grown a lot just from reading God's Word and journaling about it, rather than just reading what some author has to say about it. This book works great to use in a small group setting as well.

Good way to get you started. I do have a hard time keeping up with the memory verses. No regrets!
