# Revelation (The John Walvoord Prophecy Commentaries)

## Synopsis

The book of Revelation has long fascinated—and even confused readers and students of the Bible. Yet the Bible is written to be understood, and Revelation is no exception. Who better to help you understand the seals, trumpets, vials, woes, and plagues than John F. Walvoord, one of evangelicalism's most prominent leaders, and Mark Hitchcock, today's leading Bible prophecy expert? In this first in a renewed series of commentaries from Dr. Walvoord, he points out that much of the book's symbolism can be interpreted literally. At key points, different views and approaches to interpretation are explored. Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language. Refined, updated with the English Standard Version (ESV), and streamlined, this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history!

## Book Information

## Customer Reviews

JOHN F. WALVOORD (A.B., D.D., Wheaton College; A.M., Texas Christian University; Th.B., Th.M., Th.D., Dallas Theological Seminary), former president of Dallas Theological Seminary and editor of *Bibliotheca Sacra*, America's oldest theological quarterly, was recognized as one of the leading evangelical theologians in America and an authority on systematic theology and eschatology. His academic background and extensive travel in the Middle East greatly enriched his theological and eschatological studies. He authored numerous books on theology and biblical

prophecy, including *The Revelation of Jesus Christ*, *Jesus Christ Our Lord*, and *Daniel: The Key to Prophetic Revelation*. PHIL RAWLEY is a former Moody Publishers textbook editor, one of the founding editors and writers for *Today in the Word*, and a free-lance writer living in Rockwall, Texas. He is a graduate of the University of South Florida (B.A., 70) and Dallas Theological Seminary (Th.M., 80). Phil and his wife Sarah have two children and a grandson. MARK HITCHCOCK graduated from law school in 1984 and worked for a judge at the Oklahoma Court of Criminal Appeals for four years. After a clear call to full-time ministry, Mark attended Dallas Theological Seminary, graduating in 1991. Since that time he has served as senior pastor of Faith Bible Church in Edmond, Oklahoma. He completed his Ph.D. at Dallas Theological Seminary in 2005 and serves as an adjunct faculty member at DTS in the Bible Exposition Department. He has authored over twenty books related to end time Bible prophecy. Mark and his wife Cheryl live in Edmond, Oklahoma. They have two sons, Justin and Samuel.

It's not the most complicated commentary on Revelation you'll find, nor is it the simplest. For those who want to be provided with several points of view on the accurate interpretation of the most prophetic book of the Bible, and then to be pointed toward the most biblically consistent interpretation with corroborating references and historical context, this is the book for you. What I once assumed was far too complicated to be understood has been broken down and explained as clearly as is possible in the current age. This commentary by no means claims to reveal all of God's secrets. It doesn't attempt to speculate on any information not clearly given in the text, or to predict dates, names of players, or specific methods by which the events of the end times will be carried out. It does, however, offer a very educated speculation on the meaning of the text, based on the following premises: the Bible is truth, the prophecies given throughout the Bible (Daniel, Isaiah, Jeremiah, Revelation, etc.) are complimentary and can be reconciled to one another, and literal interpretation of the Bible is preferable unless allegory and metaphor are expressly indicated by the context. I'd recommend this to anyone who wants to broaden their understanding of the Bible and of God's ultimate plan for humanity as detailed in Revelation.

I have had the opportunity, no, privilege, to read this commentary four times. I have found it to be the most definitive and exegetical approach to Revelation that I have ever read. I am now using it as my primary resource for teaching in my Sunday school class. It is very straight forward and illuminating. Although mostly appraised as the most difficult book in the Bible, this commentary makes Revelation the most readable and understandable ever. I recommend it to anyone seeking to

know the real truths of Revelation,

A very balanced commentary on the Book of Revelation. It is not heavy-handed against alternate views but supports its views well with scripture. The authors prefer to say what the biblical text says rather than argue other views though they will mention other views. The writing is very readable, presenting a detailed study of the biblical text. Ambiguous and difficult passages are addressed with scriptural support rather than opinion or unsupported interpretations. A truly helpful tool for anyone seriously reading Revelation.

Used this for a small group study along with Tim LaHaye's smaller book. They proved to be a great combination. The LaHaye book provided a quick overview, and Walvoord's book filled in the gaps without any major inconsistencies or contradictions to work through.

Good, standard futurist view pre-trib millennial like everyone else.

A great addition to the library of any serious Bible student.

Greatly appreciate his scholarship.

Well pleased with my purchase.
