God Loves You Coloring Book

Synopsis

Children learn through play and what they see, hear, touch and smell. Getting a message across to a child through coloring is an effective way to do so. When they color pictures that relate to God loving them, it resonates that love in their hearts. It will also help if the person who is teaching the child these messages points it all out while the child colors. Children retain information by being hands on. Coloring is a very effective way of getting special message about God across.

my grand daughter loved it

This one was for me. It is a small coloring book but that is fine.

Poor quality images to color (looks more like someone's sketches). I purchased this for my

toddler/preschool age grandkids and not appropriate for young children.
