#### **Customer Reviews**

Somehow this series blends a ridiculous number of characters and seemingly infinite whimsy yet manages to keep it all together in an incredibly compelling and engaging read.

Love the series and can't wait for the next installment after this! Just a great read. Next up Paper girls  $\tilde{A}f\hat{A}$   $\tilde{A}$   $\tilde{A}$   $\tilde{A}$   $\tilde{A}$   $\tilde{B}$   $\tilde{C}$   $\tilde{A}$   $\tilde{A}$ 

Beware readers and fans! This one is gonna hurt. Like "punched in the gut and trying not to tear up" hurt.

Saga has made me fall in love with the story, that alone chock full of twists turns & excitement. The drawing the characters and the worlds created are not okay... they are incredible- such dynamic portrayals of emotion/expressions. I believe I said it already, i am in love with Saga.

I really love the series so far.

The series continues to entertain and surprise me. I love the characters and the directions the story is taking. I can't wait to read the next volume!

A must read!

Really, it is just the best series out there.
