A Firsthand Guide Bled Slovenia: Special Edition 2017

Synopsis

This is a re-written and re-published version of the book published earlier this year and the only version with photographs. The updated version is published on 2 June 2017. Slovenia is one of the most beautiful countries in Europe and Bled is the jewel in its crown. The medieval castle with its Romanesque tower sits high above the turquoise water of Lake Bled. In the lake on the tear shaped island is the church to where pilgrims, and now tourists, are ferried in flat bottomed pletna boats with their colourful canopies. Lake Bled is in the spectacular alpine Gorenjska region of Slovenia.. This First Hand Guide (standard edition) will take you through the year in Bled. It offers straightforward detailed information from arriving by bus to summer and winter highlights.
