## Customer Reviews

So far I've read 3 of the series and am finding it painful waiting for each new title to come out. The ongoing story of Nora waiting for her beloved to appear, while maintaining steadfast trust and hope puts me in mind of believers awaiting the return of our Beloved. With so many factors looming to tear apart her faith, she goes about her life, taking care of business, helping others on their way, and always looking for her dear one's return. I am loving this series!

First let me say that if you don't want to read a continuing series, don't buy this book set. I have no problem with that as Terri Grace's stories are always great & I love to read as many of them as I can. After reading these 2 books, I can tell this is going to be a really good set of books. They are good clean stories with suspense & mystery. I look forward to reading the rest in the series. I did have one problem & that was with Selina/Sally's name but when I did a search on-line, Sally can be a nickname for Selina. I received this book in exchange for an honest review which I have given.

I wasn't aware this was to be a serial, never getting to the HEA I've come to expect from Terri. Not sure I can trust her book description anymore. For someone who reads 2-3 books a day, this will put a crimp in what is available. FYI: A serial is installments in an ongoing story. A series is a set of

books with a common format, or under a common title. Thus, I didn't get what I expected.

This series will be a good read. I totally enjoyed the first two stories . There are thoughtful emotions expressed and there is an unknown plot that pulls you into the story and causes the reader to anticipate whatever dangers and situations are going to impact the lives of those involved in the mystery of the disappearance of Titus.

I really enjoyed this book, but I felt like it left me hanging,not knowing what happened to Nora and Titus. I hope there is a sequel so I can find out. Thank you.

I'm completely in love with this series. I loved these stories from beginning to end. I can't wait for the next one to come out.

Very special books to read. I know that each one was interwoven but you have to see the hidden mystery. I loved the story. Henry needs to take a hike as he is very ugly. Where is Titus? Can not wait for the next books to come out.

The ending was too abrupt and left me frustrated ed. Hopefully the next book in the series will straighten out the ending,
