Sightwitch (The Witchlands)

Synopsis

From the New York Times bestselling author of *Windwitch* Susan Dennard, an illustrated prequel novella set in the Witchlands setting up the forthcoming hotly anticipated *Bloodwitch*. Set a year before *Truthwitch*, *Sightwitch* follows Ryber Fortiza, the last *Sightwitch* Sister as she treks deep underground to rescue her missing best friend. While there, she encounters a young Nubrevnan named Kullen Ikray, who has no memory of who he is or how he wound up inside the mountain. As the two journey every deeper in search of answers, and as they brave one close call after another, a tentative friendship forms between them—one that might one day grow into something more. *Sightwitch* is told through Ryber's journal entries and her sketches, as well as through supplementary materials (such as other journals, pieces of songs, clippings from history books, flashbacks, etc.). Though meant as a companion novella, this story serves as a set up to *Bloodwitch* as well as an expansion of the world.

Customer Reviews

SUSAN DENNARD has come a long way from small-town Georgia. As a marine biologist, she got to travel the world—six out of seven continents, to be exact (she'll get to Asia one of these days!)—before she settled down as a full-time novelist and writing instructor. She is the author of New York Times bestselling *Truthwitch* and *Windwitch*, as well as the *Something Strange and Deadly* series. She lives in the Midwest with her husband and two dogs, and is extremely active in social media. You can find her on her blog, Twitter, or *Misfits & Daydreamers*, a weekly newsletter on all things books and writing.
