When Nerds Travel In Packs: London, Bath, And Edinburgh: A Travel Guide For Engineers And Those Who Love Them (Volume 2)

Synopsis

This book was written by and for the traveling nerd. Stroll down the Royal Mile in Edinburgh, explore the depths of the London Underground, or discover the inner workings of premiere racetracks, all through the eyes of an engineer. While not overly-technical, this book includes geeky trivia and behind-the-scenes views of places that can only be truly appreciated by those with a love of valves and algorithms!
