Sam Battles The Machine!: A Branches Book (Eerie Elementary #6)

Synopsis

Pick a book. Grow a Reader! This series is part of Scholastic's early chapter book line, Branches, aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! In book 6, a mysterious substitute teacher arrives at Eerie Elementary. Sam, Lucy, and Antonio think he must be up to no good! They follow him and discover he lives in mad scientist Orson Eerie's old house! And he's building a strange machine! Who is this substitute teacher? Is he trying to free Orson -- to somehow bring him back to life for real?! Sam and his friends are about to find out!

Customer Reviews

Praise for Eerie Elementary #1: "The plot and twisted storyline will serve the beginning chapter book reader well." -- Library Media Connection "Give this early chapter book to readers who want something scary but aren't ready for the 'Goosebumps' or 'Scream Street' series." -- School Library Journal "Dynamic, cartoonish illustrations amp up the action.... Readers who relish the action of Dav Pilkey's Ricky Ricotta series and R.L. Stine's Rotten School titles may want to enroll at Eerie

Elementary." -- Booklist"Chabert hits just the right horror note for transitional readers, with thrills that include a dash of absurd humor and fall tactfully short of being truly frightening....this [is] a worthy and creepy addition to the Branches series." -- Bulletin of the Center for Children's BooksPraise for Eerie Elementary #2:"A good fit for readers not quite ready for Lovecraft Middle School or Goosebumps." -- Booklist

Thereâ™s a strange new teacher at Eerie Elementary. Sam, Lucy, and Antonio are shocked when they see him . . . He looks exactly like Orson Eerie! Then Sam spots him talking to the schoolâ•and building a creepy machine! What is this mysterious teacher up to? --This text refers to the Library Binding edition.

My son is an avid reader and his three favorite series are Eerie Elementary, Captain Underpants, and My Big Fat Zombie Goldfish. He has read every book in Eerie Elementary that has come out so far and already asked me to preorder the next one. They are made for approximately 3rd grade reading level. He is in 1st grade but is advanced in reading from most of his fellow classmates.

Another Eerie Elementary book! The grade 2-4 students that come to our school's library can't get enough of this series. Loved by both girls and boys!

Love these books for my 2nd grade class!

6 year old girl loves it

My boy loves this series I highly recommend them for kids 6 to 10 years of age!!!

My 6yo son is LOVING LOVING LOVING this series. And my 3 yo is loving listening in too! He can't wait until he can read them all by himself. Great great series for a starter.

this is an awesome book of the area Mckeith I like this one can you make more of these books and this is my favorite one

My granddaughter loved this one! She cannot wait for the next! she read it in about 20 minutes!
