As described. Item arrived on time. Thank you!!!

Staves are a little close together, so that might make ledger lines/figured bass notation a little difficult. Wish it was perforated. Wish there was more of it. It gets the job done.

Very convenient for taking notes in class and jotting down musical ideas. Keeps everything in one place.

The paper boasts that you can easily erase anything you put on it, but that's because it's incredibly difficult to write on in pencil. It simply doesn't show up unless you sharpen it every few minutes. This

is fine if you want to put finished work on it in pen, but if you'd like to actually work with it then look somewhere else. This is because of a wax coating the paper is covered in and is the only thing that separates it from the "Standard" paper of the same brand. If you are looking to get some paper for school or just to work some ideas out, go with the standard paper.

I liked that it looked antique-y and it was thick. It was a bit on the scrunched side making it somewhat difficult to write super high or low notes but it was bound well and it just looks nice.

This is a great notebook. Makes it easy for me to keep all my work in one place and easily review it.
