10 Things To Do To A Naked Man: How To Keep A Man And Make Him Fall In Love With You - For His Pleasure Series

Synopsis

The time has come. You've got him right where you want him. He's clothed in nothing - absolutely nothing - but perhaps some candlelight, or the water from the shower, or shadows. He's as naked as the day he was born but so much more mature now, a strong and virile man ready for whatever you might want to do to him... So what DO you want to do to him? It's nice to think about what you might do to him when you get all those pesky clothes off, but the truth is that you can easily get tongue-tied and uncertain when he's standing there in front of you in nothing but birthday suit glory. Even the most capable woman can get a little nervous when faced with a naked man! Think of his body as a canvas for your own desires, a place where you can make your mark with your voice, your touch, your gaze and even your very breath. His body is a playground and YOU are the only one who knows where the secret parts are. You can play to your heart's content and finish up with your playground only when you are ready to - and it is always available to you to come back for more! If you had an unlimited playground of fun to have, a canvas that was open to your every whim, a man who would do whatever you please - what would YOU do with him? These ten tips can help you get started. You can use all ten, one at a time, or combine them into a hot and steamy night. Or you can use them as a starting place for your own sexy desires. Whatever the case may be, WE can help you get started - then YOU can have the time of your life with a naked man!
