# Shadowrun Cutting Aces

## Synopsis

The hotel bartender who slips you a guest's room number because he thinks it will help him get lucky. The security guard who lets a team into a top-secret facility because he thinks he's pitching in on covert-ops training. The business suit who drops ten thousand nuyen on a project because he thinks it'll earn him fifty thousand. Marks, all of them, and the Sixth World is full of them. Yeah, blasting your way into a well-guarded facility is fun, but talking your way in, smooth and subtle, might be more rewarding. Almost every kind of shadowrun involves at least a little con artistry, and some of them are full-on long cons. That means you need to sharpen your con game. With tips, plot updates, spells, gear, and more to improve characters' con abilities, *Cutting Aces* gives players the swagger and skills they need to swindle the world. It also includes information on one of the Sixth World's hottest spots for running a con: Istanbul, City of the World's Desire. *Cutting Aces* is for use with *Shadowrun, Fifth Edition*, and it also contains plot information, story ideas, and characters that can be used with *Shadowrun: Anarchy* with slight adjustments of character stats.
