Las Vegas: A Photographic Tour

Synopsis

Las Vegas: A Photographic Tour reveals the evolution of a place that began as a Mormon missionary fort in the middle of the desert and became the most extravagant fantasy land in the world. Here are the histories of such famous sites a Caesars Palace, Glitter Gulch, Fremont Street, and La Concha Motel--tales both sordid and glamorous. Famous, infamous and ordinary people from all over the world flock to the City of Lights each year to bask in the glow of this bizarre and wonderful place. Open the pages of this beautiful full color book and step into the razzle-dazzle world that's adored by families and high rollers alike.

perfect

This is a really neat book. It has a little history and old photos in the beginning which is really great

to see how the older casinos looked. The current photographs are really stunning and gives the feel of what the strip, downtown and surrounding areas really look like. A great book and a really good value for anyone who would like to know anything about Las Vegas - both in history and current pictures.
