Customer Reviews

This book and others in the series make me feel like we are already there. The photographs along with the pertinent text give a palpable presence and make it a bit easier to make educated choices about all aspects of foreign travel.

Excellent guide.

The Eyewitness Travel Guide on Bali and Lombok does not only give a good overview on the islands but is also very visual (great photos) and illustrates nicely the various places to see on the islands, especially in Bali.

This travel guide is well written, beautiful, and full of information. I would recommend it to anyone

traveling to Bali.
