Miami And The Keys (National Geographic Destination Map)

Synopsis

â€¢ Waterproof â€¢ Tear-Resistant â€¢ Travel Map

Considering a trip to Miami or the Keys? National Geographic's Miami and the Keys Destination Map strikes the perfect balance between map and guidebook and is ideal for a wide range of travelers. From the subtropical wilderness of the Everglades in the West, to the northern marinas of Fort Lauderdale, to the sandbars of the Florida Keys in the south, this sturdy map covers it all. Destination Maps combine finely detailed maps with fascinating and practical travel information. The front side features a large-scale map of south Florida, from Boca Raton through the Keys, richly layered with travel information and beautiful photographs showcasing some of many ways travelers can experience this varied landscape. In addition to the easy-to-read map on the front, the reverse side includes regional descriptions, arts and culture finds, food and bar recommendations, and visitor resources. Explore detailed insets of North Miami, Coconut Grove, and South Beach.

Key Features: Chart of south Florida's national parks, including services and contact information
Colorful photographs featuring the region's enchanting diversity
National parks, marine sanctuaries, preserves, and wildlife refuges
Descriptive content and individual maps highlighting outdoor recreation opportunities, water features, and arts, music and cultural points of interest
Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough â€” capable of withstanding the rigors of any kind of travel.

Map Scale = 1:400,000
Sheet Size = 37.75" x 25.5"
Folded Size = 4.25" x 9.25"

Customer Reviews

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Very detailed map of the Keys. We wanted a map that had all the Keys on it, not just the major ones, this map delivered. Easy to fold out and back in again.

This is more of a general travel guide than a map. There is a small map of the keys/florida, but mostly pictures and "things to do". The National Geographic logo takes up a huge amount of space.
