Customer Reviews

Same as Prague Lonely Planet great to have as you tour the city it makes sure you don't miss anything you would like to see, I have no problems recommending the book to anyone touring really is a must to take along .

It was a good guide book, and all the recommended sites were truly spectacular. Budapest is gorgeous, even in January (well, when the fog lifted)!One think I wished I had tried more of, was using the restaurant suggestions.

ive tried using other companies and always come back to lonely planet. They do a nice job of organizing things by neighborhood. Will be a great resource for an upcoming trip

Very insightful
