PreSchool-Grade 1 [Customer Review](#) - This update modifies the original book (Random, 1980) and adds a slightly more religious message. It is Christmas Eve and the Berenstain Bears need a tree. Of course, Papa makes a mess of things and learns that Christmas is &a time to be thinking of others [Customer Review](#) - to show love and respect to your sisters and brothers/And to treat them all/with kindness and concern. The added references to Sunday school, Jesus, a Nativity scene, and God will not be noticed unless readers are doing a close textual analysis. The rhymes are slightly more awkward than usual, but the kids who love the Bears family's solid traditional values won't be too bothered by any changes. If your old copies are worn out, this will be a popular

addition. — Anne Connor, Los Angeles Public Library END

It's Christmastime in Bear Country, and Papa Bear is caught right in the middle of an ecological dilemma--every tree he picks to chop down is home to a fellow furred or feathered creature. Papa doesn't have the heart to make them homeless, and though he returns home empty-handed, he does have a brilliant idea! Join in the holiday revelry as the Bears brighten their forest home with lots of bangles, bells, and colorful balls. This delightful reissue, which sold over 180,000 copies, will now have a stunning new cover to charm a whole new generation of Bear lovers. --This text refers to an out of print or unavailable edition of this title.
