Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I'm disappointed in this book. The music and the words are all there, of course, but I'd expected a colorful, illustrated songbook. This isn't it. And the used copy I got that was supposed to be in very good condition--well, it isn't. It is intact, not falling apart or anything, but it looks well warn and quite

used. Buyer beware.
