Teen To Teen: 365 Daily Devotions By Teen Guys For Teen Guys

Synopsis

What more encouraging way to gain perspective than by talking to someone who has been there, especially when that someone is one of your peers. Written expressly for teens by teens, this unique 365 day devotional is filled with personal experiences that are relatable and heart-felt. In addition to learning teen to teen how to deal with difficult issues and maneuver the often trying path to adulthood, each devotion leads teens to move into a deeper relationship with Christ as they recognize that He is the answer to life's problems and strife. Through the stories of others, teens see how God works in our lives when we open ourselves to Him. The devotion includes hundreds of teen authors and teens love reading what their peers have written. This devotional creates a safe, social atmosphere for teens to learn that they are not alone and that God is at work in their lives. Teens learn from other's failures and triumphs how to make the right choices. The impetus for this devotional is to help teens understand how God can and does work in their lives.

so helpful for teens ...they hear how to break through their pain and doubts by others who have lived through what they are feeling and experiencing. Buy one for any teen who is hiding their pain or experiencing bulling and wondering how to trusy God and make changes and have hope!

We are really enjoying this devotional together (my 13 year old son and I). My only comment is that this book is printed in yellow, which makes it very difficult to read. I find myself stumbling because I can not see the print clearly.

First off, I love the fact the kids have to look up the scripture with their own Bible. It gets them familiar with the Bible. Huge plus for for me. My 12 year really enjoys this devotion book. And I like the fact that it was written by teens. Totally recommended to any teen out there.

We have 4 teenage boys and they love this devotional!

This is a very cool gift for a young man in your life. Perfect for Confirmation or Graduation. This really appealed to my 14 year old son and gave him something that he could relate to for a religious celebration

I love these devotions because they are written by other teens. I have purchased for many teens within my youth group and even my daughter has the one for girls and she loves it.

The beige print is not as bad as some reviewers say. These are good devotionals for the targeted age group, whose eyes are still young enough to read the yellowish text. Not goofy or patronizing.

Gift for my nephew on the occasion of his confirmation. As I looked through it seem to have 365 great messages.
