Mr Right Now: A Romantic Comedy Standalone

Synopsis

"I'm face-down in forty glorious inches of well-endowed cake, seriously reassessing my life choices, when suddenly I hear it. The voice that launched a thousand teenage boy-band dreams. My #1 crush, Drew Delaney himself." Ten years ago, Drew was boy-band royalty: the subject of a million teenage fantasies - and the guy next door. He was so far out of my league, I couldn't see him for stars, but now I'm back in town for our high-school reunion, guess who I run into but Mr. Right-Now himself...Older. Hotter. And still sexy enough to make me forget about the glittery white frosting currently smeared across my chest. Sparks are flying, and so are my panties, and soon, our trip down memory lane has taken a detour to 'oh my god, don't stop!'. Population: me. But can I turn Mr. Right-Now into Mr. Forever? Or will crazed fans, vicious yoga moms, and three dozen flesh-toned popsicles (don't ask) doom our romance to the 'Where are they now?' section of MTV's greatest hits? You'll be begging for a taste of Lila Monroe's new sexy, laugh-out-loud summer romance! **MR RIGHT NOW is a full-length romance. For a limited time, this bonus edition includes Lila's BILLIONAIRE WITH A TWIST**

Customer Reviews

*I volunteered to review a Copy of this book from The Author*Thank you so very much Ms.Monroe!! I am extremely honored and grateful!! :)Having read Ms.Monroe's work before I couldn't wait to dive Into this one!! Oh how I loved this sweet tale!! It was just the perfect kind of feel good read that I needed in my life. It even gave me some cravings and brought my sweet tooth to life so I had to whip up some fudge molten lava brownies while reading. I just couldn't put this one down. It cracked me up a bunch, kept me blushing, warmed my heart like baked goods, and took me back to my boy band loving days!!There's just so much that I enjoyed and adored about this novel. The way I got to know what was going on in both of the main characters minds was such an entertaining part of the reading experience. I thought it was so cool that songs were added throughout, I'll admit I sang along while reading all the lyrics. It was a different kind of Romantic Comedy that has a little bit of everything for everyone.Ms.Monroe stole my heart and made me feel like a teenager again with Mr. Right Now!! This has to be my new favorite book of hers. Maggie and Drew's story showed what it means to get knocked down but it's how you get back up, knock the dust off, and keep going is what matters. I couldn't help but think of the old saying "Good things take time." This is definitely going down as one of my favorite books of 2017!! I am so looking forward to reading what Ms.Monroe comes up with next!! :)If you haven't already One-Clicked, What are you waiting for?!?! Check it out Today!! This one heck of a fun and cute story you won't forget!! Remember, to grab a snack before starting because believe me this one will make you hungry!! Just writing about this novel has me already wanting to do a re-read and grab some more fudge molten lava brownies!! I hope you love it as much as I did my fellow book lovers!! 4.75 Stars all around!! :)

Could have swore I had read more from Lila than I have apparently ... I read Get Lucky ... Love her style of writing ... I have never laughed so much ... well I have but I love laughing and this book so many parts are just too hilarious!! The Cake 1st part of the book ... I can imagine the embarrassing time that would be in real life??! Oh my goodness!! LOL! If only the earth could open up and shallow ya. too too fun!! I so wish I could try some of Maggie's baked goodies ... I bet they are delicious!! Drew is too great. White Knight 2 the recuse many times over!! I love all the singing and funny greatness in this book!! Becky needs to learn a lesson or 2 in being kind. When you are rude it comes back 10 fold ... isn't that the saying?? So hateful to Maggie ... I wish only the best I for Maggie ... I can sympathize for kids that have to move back in with their parents ... I can imagine it

being so frustrating and a letdown or step back in their job outlook. LOVED THIS BOOK!! Must read! (;

Mr Right-Now by Lila Monroe is a funny, romantic, well-written and perfectly paced story of young crush turned into new love and second chances at friendship and more. I haven't read a book by Lila that I haven't absolutely adored and this is no exception to that track record. Drew is a little outrageous given his history of fame and his available wealth, but he means well and is so perfectly sweet and caring that you can't help but fall for him. So who can blame Maggie when she does just that. Maggie has had it rough recently. She had to close her cupcake shop down due to being one-upped by a famous TV cupcake lady opening her own shop in the same area. She is back home and living with her parents and trying to plan out what happens next. Just so happens her next door neighbor AND boy-band crush is ALSO back in town. From Penis cakes to a last minute striptease, this story is funny and sweet and sexy! LOVED THIS!!!! Enjoy!

Returning home a failure to attend your high school reunion is NOT exactly what Maggie had planned... neither was falling for her high school dream guy ten years later! But things happened and a whirlwind of hilarious events take place making "Mr. Right Now" pee-in-your-pants amusing! An entertaining Romantic Comedy about keeping the faith when everything seems to fall apart. Something smoking hawt is cooking in this kitchen... something you don't want to miss out on! 5 Delicious Stars for "Mr. Right Now...who knows? He may become Mr. Forever & Ever!

Sugary sweet baker Maggie moves back to town after her bakery in New York failed. Former pop star prince Drew (& older brother of her former bestie from across the street) is back to open a music production studio. Maggie's always had a crush on Drew and unfortunately seeing him again after 10 years those little butterfies reappear. One embarrassing moment after another they can finally make a connection. A very saucy one! I loved this book! It was hilarious and sexy and fun. A must read!

Fun, flirty, sexy, then you remember those high school days you would like to forget, but years later those memories still haunt you. Well, Maggie is back in her home town, having to start over with her 10 year high school reunion a few weeks away. The to fin out her Crush from her teen years is back as well, who had a rock band made big, now to face him as well, could it get any worse? Loved this story! , full of emotion, support, strength, trust, bringing people together

again! Great read!

Loved this. Loved Drew and Maggie. Loved watching Maggie get her second chance at doing what she loves. Making cakes to order and some naughty ones too. Drew was part of a boy band many years ago and had left all that behind now. Maggie had had a crush on him all those years ago, and now, they come together in the most unexpected way. It was an entertaining story. Heartwarming and funny at times. Thoroughly enjoyed it. I also enjoyed the bonus story that followed after Mr Right Now.
