A Lifetime To Share (Oregon Trail Dreamin' Book 2)

Synopsis

When life has shown you death, can you bring yourself to love again? Eli Todd is a tall, handsome Captain of a wagon train bound for Oregon. Life has taught him if he allows people into his heart, he ends up losing them. Amelia Cruthers is a pretty young woman with a limp. She's a hard worker who starts out the trip to Oregon with her parents, until they try to leave her behind. In shock, she watches them cross a river by ferry without her. Thankfully the kind, strong Eli Todd takes her with him. Admiring her spunk and work ethic he gives her a job cooking for the crew. After a fall from his horse, Amelia tends him and he realizes she is sweetness on earth. Her parents demand he marry Amelia since she spent time alone with him, nursing him. Eli figures why not? He won't be home most of the year anyway and Amelia could have a safe place to live on his ranch. What could possibly go wrong? Amelia never thought to be married. She'd been told her hip was too hideous for a man to look upon and that she couldn't have children. Knowing that she could never be a real wife, the love she begins to feel for Eli frightens her. The distance they try to place between them doesn't work leaving them both hurt with longings that could never be fulfilled. But there are secrets and when they realize they'd been lied to; do they take the leap at a lifetime to share?

Customer Reviews

In life there are a lot of cruel people. As we read this story you will meet a couple who make the word cruel a really bad word. And you will see that love wins through all the cruelty. Enjoy this story of the Oregon Trail.

A story of the wagon train going West with trustworthy wagon captain and a crippled young women who was being treated poorly by her "parents". Many deaths and hard times on the trip but very exciting

Had me right from the start, could not put this book down, A read it all the way through to the end. A great book hope your other books are just as good as this one. The sadness, anger (that I felt) toward the ones that were called her so called parents.

He is the captain of a wagon train. She is a young lady, but with a limp. She gets married to stay on the wagon train. He is worthless drunk. How will that work...not good!!

Is there going to be a book 3&4? One about Jed and another about Smittie? I hope so. I would also like to know his everyone is adjusting to life on the ranch.

I loved the story, the romance, and the wagon train traveling along to Oregon trail! I like most of the characters and also the author's way of writing!

This book was so good I couldn't put it down, I was so afraid for Amy she had such a hard time, glad she found love , like this book

A well developed historical story story. I've read twice now and enjoyed it very much both times. And that makes a good book to me.
