The pamphlet you graciously sent to Jessie and me is the best compendium of the cults I have seen. It is tremendously useful and something I wish I could have had in my years in the pastorate and as a military chaplain. Although we study the cults in Seminary it is hardly to our credit that we tend to forget the depth of the errors when we meet nice people who believe very bad things. Perhaps Mormonism is the best example. I was stationed with a Mormon Chaplain who constantly wanted to share the pulpit with me. Although I resisted him and tried to tell him why, he was so nice, and appeared to be just like the rest of the 35 chaplains on the base. When the Birch Society was strong in California, many Mormons were in the society and the people of my congregation began to look on them as "just like us." Such a pamphlet as this would have been a great help. Thanks for sharing it with us. May God Bless Your Work! --Chaplain (Col) John Clark, USAF RetIn over three decades of cult studies, I've never encountered a guide on the cults and false religions as concise as this one. In a day of information-overload, this helpful guide clearly distinguishes the truth of Christianity from the counterfeits. I recommend it highly. --Ron Rhodes, President of Reasoning from the ScripturesChristians need to know what they believe and why. They also need good advice on sharing the Gospel with people from other religions. Paul Carden's Christianity, Cults & Religions DVD does the best job I have seen for fulfilling these crucial needs in the church today. --Dr. Norman Geisler, Author and Distinguished Professor of Apologetics, Veritas Evangelical Seminary

I bought this product because it would be a fast read but I would have liked more information yet it is as advertised

If you need an explanation of the various religions this is a great overview

Very informative . Have used several portfolios in this series and all our class likes them.

How did I go this long without Rose Publishing? I have 4 of their books, and LOVE THEM! Easy to read and follow, top quality books, paper, and color. Invaluable information. This book covers all the Major religions and cults and their main beliefs. You can compare them to Christianity and clearly see where they differ. Mormons believe God was just a man who lived so good he became a god, had physical sex with marry and then conceived Jesus who's the brother of Satan. No joke! If you ever wondered what other religions or cults believe, get this book! It's laid out simple, explained easy, full color pages, packed with info!

Very informative

Good information about the different religions, not too in-depth so you feel as though you can grasp the concepts without a ton of study time.
