#### **Customer Reviews**

Price Stern Sloan publishes fun and engaging books in a variety of formats, including board books, doodle books, activity books, novelty titles, and of course, the classic Mad Libs.

I bought this for my son when he went to sleep away camp, and he loved it. Highly recommend it for care packages or initial camp send off!

Bought these for my teenage son and he and his cabin had fun filling them out. Camp memories to share and keep.

Kids are having so much fun with these at their camps this summer!

#### Super fun for camping. We had a great time around the camp fire

My son took this off to boy scout camp. First sign that it was a good book - he didn't come back with many empty pages. He said they were funny and gave them something to do during their down time. Fun Camping themes!

Kids loved this.

Had not only the kids but the 'big kids' laughing hysterically. A throwback to when my kids had these.

These are so fun for the kids to fill out.! They get so creative it's hilarious. We have used a separate sheet off paper to write the added words so that we can re use the sheets .
