K-Gr 2 [Readers](#) - In this installment in the series, Hot Rod Hamster and his friends decide to rent

ATVs and go on a dirty, muddy adventure. Along the way, they encounter an ATV stuck in the mud and help rescue the stuck vehicle. The illustrations are bright and engaging, with speech bubbles to help beginner readers distinguish dialogue from the flow of the story. The interactive question "Which would you choose?" appears on pages, allowing readers to decide which ATV, trail map, and tools to use to extract the stuck vehicle. Sentences are short and simple, and end in rhyming words to allowing new readers to anticipate what the next word might be. Hot Rod Hamster's dog expresses hesitation at the potential for a bumpy ride, but all the animals have fun and wear safety helmets offering a good example for readers. In the end, the passengers in the stuck ATV offer to share a picnic with their rescuers, who are now all covered in mud. VERDICT A funny and lighthearted read with a positive message about helping out and sharing. — Kaitlin Connors, Virginia Beach Public Library
