Synopsis

From Bestselling Author Alexi Venice *Amor* Amanda's desire overtakes her, beckoning her to explore the depths and nuances of Jen, possessing her, protecting her and risking her career for her. Amanda Hawthorne is a powerful District Attorney in San Francisco, defined by her beauty, intellect and an unwavering sense of justice. While she is renowned for prosecuting murder cases, when a war erupts between the DA's Office and the Italian mafia with a Russian billionaire lurking in the background, Amanda must decide how far she is willing to go to protect her lover, Dr. Jen Dawson. Outmanned and outgunned, Amanda faces dark temptations in the midst of battle. Jen Dawson is facing monumental personal changes and dangerous threats from mobsters. Under life-or-death conditions, Jen sees a new side of Amanda that challenges her previous perceptions, leaving her a little unsettled. Jen struggles for independence and survival as Amanda's war hijacks her life. Meanwhile, Jen thought she had put Detective Tommy Vietti behind her, but discovers she and Amanda need to track him down for unfinished business that binds the three of them. Tommy Vietti intentionally dropped off the matrix after Jen left him for Amanda, his longtime colleague. Feeling viciously betrayed by both of them, the last thing he wants is for them to find him in paradise because they each need him for very different reasons. As a seasoned detective, Tommy is no stranger to drama and danger, but Amanda's mobster case generates more than even he could imagine.

Another great book by Alexi! As a frequent visitor to Kauai I was especially intrigued with the episode of the story line based in Poipu and Hannapepe! I am usually too tired to read after a long day of work, but I could hardly wait to finish supper so I could sit down and read this book! Hard to put down and kept me wanting to read the next chapter. Can hardly wait for the next book!

I loved this book. I didn't think Alexi could get any better than Pepper McCallan series but this one is great... I once again read this book in 2 days and am anxiously awaiting the next one... It had so many twists and turns that were totally unexpected....Great read Alexi!!!!

Another page turning novel by Venice! Captivating story line & believable characters enticing you to keep flipping pages until you satisfy your need to read til the end of the story.

A great second installment in the San Francisco Series! This will make for a great summer weekend read at the beach or your cabin. Murder - intrigue - the loyalty of love - can it really lead a person to change their moral fiber??? I love the strong females in this series who are smart and strong-willed.I really love this story line, but Alexi leaves me wanting to know more about what drives Detective Tommy's passion for justice and whether or not he will find true love? How about Dr. Jen? Is she feeling the same thrill of the relationship as compared to Amanda's passion for Jen?I'm hoping we

get a third book in this series!

Alexi's books keep me wanting more. Dragonfly was certainly steamy, but tasteful. I enjoyed the mystery as it smoothly unfolded in an easy fashion. Her description of the island of Kauai was spot on. Having lived there for over 13 years, I felt like I was back in Poipu. She captured some of the local hangouts, that made me feel like she was a Kamaaina! Well done!! Looking forward to more from this talented writer!!

Alexi Venice does it again with a wonderfully entertaining book. I love the characters and how each one of her books builds on the next. Can't wait for the next book in this series!!!!!! Oh, I forgot to mention I read it all in one day!
