Designing Interiors With Tile: Creative Ideas In Ceramic, Stone, And Mosaic

Synopsis

Designing Interiors with Tile: Creative Ideas with Ceramic, Stone, and Mosaic presents a stunning contemporary collection of innovative applications of this ancient design form. This volume includes more than 200 full-color photographs showing a variety of colors, textures, and surfaces. It shows how tile, stone, and mosaics can anchor a design theme, add an abundance of color, texture, and light to a room, and turn the ordinary details of a room into the extraordinary. Features a range of traditional and nontraditional applications for kitchens, bedrooms, bathrooms, living rooms, family rooms, dining rooms, and pool areas.

Customer Reviews

Introducing tile and stone into the home gives designers and home-owners an artistic medium like no other. Reclaimed, antique terra-cotta stone can transform a high-rise city kitchen into a French countryside retreat. Italian mosaic tiles hand-assembled in geometric borders and colorful murals can turn an ordinary bathroom into an oasis of luxury. In this high-tech world, tile, stone, and mosaics can fulfill our innate desire for high-touch. With them, we can create homes that are sensual places where the feel of cool stone beneath bare feet is as important as its deep, rich color, or how the sunshine illuminates it. This book traces the latest designs using tile, stone, and mosaic. Through beautiful photography and illustrative text, installations for every room in the house-kitchens, bathrooms, living rooms, and more-are presented. Renowned designers and tile manufacturers from around the world share their exquisite creations. For interior designers,

homeowners, and apartment dwellers, this is an essential guide to using tile and stone to enhance and decorate. *Designing Interiors with Tile: Creative Ideas with Ceramic, Stone, and Mosaic* will surely inspire.

Anna Kasabian has 29 years of experience as a writer, editor and communications professional. She writes about interior design, food, garden crafts, home and garden preservation projects, and architecturally significant properties. Anna's byline appears in *Country Living*, *Cook's Illustrated*, *Metropolitan Home*, *Country Home*, *Coastal Living*, *Home Magazine*, *Yankee Magazine*, *The Old Farmer's Almanac Gardener's Companion*, *Better Homes & Gardens Garden Rooms*, *Woman's Day Special Interest Magazines*, *The Boston Globe*, *Boston Magazine*, *New England Travel & Life*, *The Old Farmer's Almanac Gardener's Companion*, and *Boston Elegant Wedding*.
