Synopsis

A best friend. A reclusive businessman. A balloon pilot. A cowboy. A rockstar. God still has good men. **ONE THOUSAND WINKS** by Laura J. Marshall When Greg Conrad, a man who reminds her of painful memories, asks Samantha Tanner for a date to the annual Valentine's charity dance, she is resistant. She's just started looking for love at a Christian dating site. But, Greg and her new online love interest have something in common. Can mixed-truths, hidden secrets, and goat-stealing accusations end up in a true love match for Sam? A heart-warming tale of finding love, healing, and laughter again on Cape Cod, Massachusetts.

JETT (DESCENDED) by Dana Pratola When a reclusive businessman takes an interest in Haven's artwork, she knows it's an answer to prayer. But Jett Cestone is an enigma with a disconcerting connection to the young women in his employ. He's by far the most unusual man she's ever met. Haven is the most interesting woman to ever cross Jett's path. But she's too naive and pure to learn what goes on in his home. Too bad he wants her more than he's wanted anyone or anything in his life.

FLIGHT RISK (THE ITALIAN SERIES) by Suzanne D. Williams Giovanni Cavatelli simply wants to survive this one hour balloon flight. Never mind the girl he's flying is antagonistic, overbearing, and stubborn. Never mind it's her birthday. So they don't get along. He can survive one hour. But when bad weather sends them crashing into the rural mountainside, one hour turns into three days and a dangerous game with a group of anti-government activists out to destroy them both. Will her courage and skills be enough to save them? Or will something as simple as true love prove far stronger?

STORMY TOWNE by Laura J. Marshall When help arrives in the form of a spoiled, rich girl from New York City, cowboy Justin Olsen is afraid his burden just got heavier. He's been working and caring for his aunt Velma on his own. Stormy is heiress to the Towne family fortune. Living in posh hotels and partying at the hottest New York City night clubs is part of her glamorous life. That is, until her grandmother banishes her to Apple Bottom, Texas with a mandate to aid an old family friend. God surely hasn't wrought these two hearts for each other, opposites to their very core. But what's a vegetarian and a ranch hand to do when the failing town of Apple Bottom and Aunt Velma may need both of their help to survive?

TATTOOED by Suzanne D. Williams All the money and fame rock drummer Holden Lang possesses cannot fix his broken heart, nor the crippling disaster his body has become. He's washed up, through playing, and in for a long road to recovery. Charity Caswell's appearance at the side of his hospital bed is a gift. She's willing to marry him and take on his care, no feelings involved. But the God she serves has bigger plans for both of them, and a startling pathway to get there. If he'll only open his eyes, step out in

faith, and believe.

Here are a group of stories of men who found God and what He did in them to make them become the men He had called them to be. It's also the story of the women that God brought into each of their lives to love them.

The stories in this book were so inspiring. goes to show that one does not need sexually explicit stories to sell books. The stories contained suspense and varied subjects to appease all tastes. I recommend this book highly and give praise to Jesus Christ. Virginia Cocalas

Each author brought together a fantastic story of finding love with a special person that God has chosen for them. Along the way as a couple they're drawn to a closer relationship with God.

These were all good reads. I found myself stopping after each one that began a series and reading

the rest of the series before moving on to the next one in the collection.

I enjoyed all of these books, all of the authors did a great job in making you know how important God is in all of our lives, no matter what we have done.

Wonderful stories about the goodness of God changing lives people finding true love sharing heartaches and problems and God helping to solve them

Her stories are always exciting and. You always have to keep reading because you have to know what is going to happen next. I will buy many more of her books.

The stories tell how clever God is at bringing people together to experience a healthy & lasting love for God & each other. There's humor, suspense, passion, forgiveness, & love, lots of love.
