a great aid to healing with OUR LORDS HELP.

Very helpful. Had borrowed a copy from my counselor and decided to buy a copy for myself. Written by Christian therapists, but can be applied to anyone who is working with difficult emotions.

Allowed me to see flaws I possess as well as the flaws others possess. It helped me meditate and gave me clarity.

I would recommend this reading to anyone and especially to spiritual directors who are journeying with others in difficult times of life.

Excellent, thought provoking.

Great doing business! Fast shipping and item was just what I was looking for, I will order again from you

Great book

I needed this for college so it was great for my class, but I don't know how one might like it reading for fun or psychological advancement or some other reason.
