Ready, set yummmmm!!! I've already tried the Fudgy Chocolate Bundt Cake (definitely steps above your basic sponge) and the Vanilla Cupcakes (so easy, light, fluffy and CUTE!!) (desserts are my first must makes!) I used Reynolds cupcake liners which don't take all the yum off with it). Parchment cupcake liners also work well but lack the shine!!! Don't look at this book with a spoon or fork...you might eat the photos! Stunning photography and styling Miriam!!! Can't wait to try more recipes. Really thought I had enough Pesach cookbooks...glad I succumbed to temptation! Have to add some new needs to my "same old, same old" shopping list. Old has just become new again!!! Don't PASS OVER this gem!!!!

what a wonderful addition to my Pesach Cookbooks. A must get for all

If I could put 6 stars up I would.... I redid my whole seder with items from this book and not a single family member 18 the first night and 14 the second complained and they are all picking things for me to make again after Pesach is over.

I purchased one for myself and one for my sister as a gift. The recipes look delicious but simple. The food styling and food photography make each recipe look so appealing. I am looking forward to trying these recipes for Passover.

Terrific book. Great pictures. Recipes are good for the whole year.

Has some really good recipes that I can use all year as a gluten free vegan.

Easy to follow recipes, printed in a clear, easy to read manner. Beautiful photo and practical recipes. Used several of the recipes and will use more during the year.

Great and easy recipes
