Praying God's Word From Your Heart: A Prayer Guide And Daily Devotional

Synopsis

Do you believe God speaks? Do you want to hear His Voice? You can if you speak to Him through prayer. "Praying God's Word from your Heart" is a comprehensive compilation of the key verses from each book of the Bible, followed by deep and powerful prayers meant to build a strong faith in God in the one praying. It is also intended to ignite a stronger prayer life and better align the believers praying with the will of God, which God has promised to answer: This is the confidence that we have toward him, that if we ask anything according to his will he hears us. (1 John 5:14)

Customer Reviews

Praying God's Word is a must have . I read Praying God's Word from your Heart, every single morning. If I happen to finish the book I will start all over again. Its a reminder of so many wonderful focal points of the bible from Genesis all the way to the book of Revelation. If hounding have this book yet please get it!

Breaking down each scripture through the written prayer added so much into my spirit that it lifted me when I was down and going through.

Very informative, learned a lot.

This book held deep and meaningful truths for my life and what I am currently going through. God reminded me how He has the final say so in my life to only believe... Perfect timing a perfect word from God

Reading the scriptures is a reflection and reminder of God's unconditional love. Prayers are a teaching tool. Reminder of how intimate we can be with Our Father, how we can speak to him about anything, as we also praise Him for everything.

The way that God inspired him to write this book with declarations and insight has blessed me tremendously! Giving you each book of the Bible in such a way as to pray the Word of God, and to help you look deeper into yourself and the things of God! Awesome book!

Each book in the Bible is given a summary paragraph overview. Then the reader can use these to add to their own prayers. An aspect of each book is teased out and incorporated into a daily prayer. A Novel approach to support scriptural and prayerful encounters with our God.

A well done book that also provides a synopsis of each book of the Bible. I really enjoyed the book and learned some valuable lessons from it.
