Editor RUTHERFORD HAYES PLATT, JR. (1894-1975) originally brought this work to light in 1926. In *The Forgotten Books of Eden*, he has collected a number of apocryphal biblical writings. The authors of these works are unknown, having hidden themselves behind the names of the great religious legends that they wrote about. The works found here are not even considered part of the official "Apocrypha," despite their timeless wisdom and helpful additions to Christian, Jewish, and Islamic understanding and lore. The book opens with *The First Book of Adam and Eve*, originally written by an unnamed Egyptian and copied into many other languages over the centuries. Also included in this book are: * *The Second Book of Adam and Eve* * *The Secrets of Enoch* * *The*

Psalms of Solomon * The Odes of Solomon * The Letter of Aristeas * The Fourth Book of Maccabees * The Story of Ahikar * The Testament of Reuben * and many more... --This text refers to an out of print or unavailable edition of this title.

Quite fascinating to consider what it was like for Adam and Eve to step onto the scene, banished from the Garden forever. Foreshadowing the Christ to come, this oral tradition could shed some light on our greatest invisible adversary - Satan himself!

Read these kind of books with an open mind. Not much scriptural to them, some of the content contradicts the canon.

Awesome and very touching and informative.

I've had these before and loaned them out so they are just replacing what I had. Very interesting reading for an open mind.

Will finish reading

This book is a must have. It answered so many questions.
