# Lasers: The Perioperative Challenge, 2e

## Synopsis

LASERS: THE PERIOPERATIVE CHALLENGE carries on the tradition of providing a valuable comprehensive overview of laser technology. The result is a fundamental reference for nurses and others directly involved in laser procedures. The text offers important background information to provide a foundation for complete understanding of the technology, and then defines specific applications while emphasizing perioperative nursing considerations. New surgical techniques, instrumentation, delivery devices, and perioperative care are discussed in detail.
