# Chicken Soup For The Sister's Soul: Inspirational Stories About Sisters And Their Changing Relationships (Chicken Soup For The Soul)

## Synopsis

This new Chicken Soup book offers a heartwarming and uplifting collection of stories that celebrate the lifelong bond of sisterhood. Whether they share this special connection with someone through genetics or the heart, only a sister can understand the complex, deep and dynamic relationship they share with loved ones as they journey together through the stages of life. For younger sisters who look up to an older one, older siblings who tolerate a younger sister tagging along, or the brother who knows full well that girls can wrestle as well as any boy can, this book celebrates the sisters in our lives. It conveys how sisters influence us during life's most defining moments: helping us face the schoolyard bully; providing wise counsel during our first crush and subsequent comfort after the breakup; and refusing to reveal intimate secrets to parents or friends. With real-life stories from celebrities and everyday sisters-next-door, chapters include: On Love, Insights and Lessons, Sibling Rivalry, Overcoming Obstacles, The Bond Between Sisters, Sisters by Heart, On Family (Brothers, Too!), and Special Memories and Traditions. While they may not live under the same roof, act in the same manner or even get along without an occasional spat, nothing creates a more special and lasting bond than sisterhood. Now there's a book to celebrate that bond.

so so book looked well used, should have bought the brand new one

I bought this book with the intention of giving it to my sister when I asked her to be my maid of honor at my wedding. I had forgotten that I already bought this book for her (I kept this copy for me). I marked a touching story in the book having to do with a wedding. She didn't get the meaning behind it, but it made her cry anyways and the best part is that she said yes!

I bought the book for my 3 sisters and me. I gave them to my sisters for Christmas and asked them to let me know when they read certain stories that reminded them of things they remember. I haven't heard from them yet, but I know I will, as all 4 of us are close at heart though miles apart. They all agreed it was a perfect gift.

I ordered this book for my sister, as a gift and she loved it! It contains very heartwarming stories and some you can relate to. It was very affordable and made my sister happy.

I miss my sister.
