Chance Encounter: Gage And Melanie (An Emerald Falls Romance, Book Three) (Companion To The Over You Series)

Synopsis

This standalone romance is the third book in the sweet, small-town Emerald Falls Romance series, and is also a follow-up to the Over You series, but *Chance Encounter* can be read without reading the other series first. After a string of bad luck with men, Melanie Hopkins has sworn off dating to focus on her job and her three-year-old daughter. Moving to Emerald Falls to live with her sister, she's ready to make a fresh start. Gage Bennett has never had much luck with women. As a teenager he wasn't exactly a Romeo, but now that he's all grown up, he's worked hard to transform himself. Now a successful business owner, when the car he accidentally hits in the grocery store parking lot turns out to belong to Melanie Hopkins, the dream girl from his youth, he decides to parlay this chance encounter into an opportunity to finally get to know her. Too bad she's not interested. But he hasn't gotten where he is by being timid. Will his persistence pay off, or will it put him in the friend-zone for good?

Customer Reviews

Was hoping for at least something suspenseful, but it was definitely WAY better than the last "just cute" book I read from her. :)She still has phrases, and things she continually does over and over again in her books, that I hope she changes, but all in all it was a good book, and I was excited to finish it, since it goes with my ultimate favorite series "Over You" by Christine. :)So 3 stars it is, and I'm still excited for more. :)

This is a sweet romantic bookI loved that Gage had a crush on Melanie in highschool. Melanie has come home after a bad break up. She doesn't want any romantic entanglements. Will she let Gage break down the walls she has built up around her heart?

A fun, clean romance. I like Christine's books, because you always know they will be clean, but full of fun romance. I think we can all relate to a time inner lives when we had crush's on someone, or liked someone and they didn't like us, and sometimes we put barriers up because we're afraid of getting hurt. Easy, quick read.

I love a romance that doesn't need to be graphic. While I enjoyed the book, I only gave it four stars because it was pretty predictable and I felt it was too centered on outward beauty.

This is a book about Melanie whom we met in a previous book and she has now come to Emerald Falls to live with her sister. She meets a guy who had a crush on in high school and he is still crushing on her. Keeps you very entertained.

This was my favorite book in the series. I did not like Melanie at all in the other 2 books but decided to give this book a chance because of Gage's character. I was a fan of his from the Emerald Falls series. This was a sweet romance and Melanie redeemed herself in my eyes.

Sweet clean romance.

Really loved this next book in the series. Couldn't put the book down until it was finished!
