Instant Puppet Skits: 20 Stories From People Who Met Jesus

Synopsis

Use 20 Stories From People Who Met Jesus to enliven favorite Bible stories and to introduce children to puppeteering! Lead kids to discover more about Jesus from the people who knew him best--those he met...like one of the shepherds, Zacchaeus, a Roman soldier, and more! You will get: 2 compact discs with audio for each script. You and your puppeteer friends don't have to worry about digging up sound effects or reading the lines as you perform. It's already done for you! Scripture reference in Table of Contents, Directions for creating a stage, Simple Bible costumes for puppets, Reproducible patterns for props, Reproducible scripts with staging instructions, And a Puppet Primer with tips for powerful and imaginative productions. The twenty scripts you'll find in Instant Puppet Skits have something in common: each features a Bible character who met Jesus and shares a personal insight. John the Baptist tells his would-be, disgusted director that he is not the star attraction, that his purpose was to prepare people to follow Jesus, and while Lazarus tries to collect a refund on his burial, he explains eternal life for those who believe. And you'll find that the scripts have other things in common too: Scripts have no more than four puppets on stage at any one time, and you can re-use the same four "actors" with different costumes to limit the costs of the puppets! Four or less puppets per script makes it easy for you to recruit enough puppeteers! Yet the audience is involved. In "Fish and Loaves", the audience acts the part of the crowd, each of them stuffed with food. After each script you'll find group discussion points in the "For Deeper Learning" section.

Great skit book. I use it for a children's message but the adults love it too!

I loved this book! I used it for my Vacation Bible School this year. Although they are puppet skits they are easily adaptable to doing with real people. I never used puppets with the skits, only real people. The kids loved the skits and I am looking forward to using them more often! I highly recommend this book!

Skits are such a great way to get kids involved in class, and these "instant" skits are no exception. Kids love puppets, and these are contemporary skits that "fit" kids today. The book arrived quickly and in excellent condition.

This is an interesting way of presenting the stories of people who met Jesus. It comes with a cd and all you need to do is add the puppets. The skits are fun and the youth love the way they flow. We use them as a Easter program for the Youth! It was great!

Enjoying these puppet skits, great for kids that have a hard time remembering their lines. The kids are able to utilize the puppets and have fun without getting bogged down in scripts. Good product.

Really good book for puppet ministry, this would help to get started.

The puppet skits are skits that teach lessons but are entertaining as well. I would recommend this book, Instant puppet skits.

We used these short skits for a summer time carnival we had and invited the community. Everyone enjoyed the show and they were relevant, current and cute.
