Cry Of The Wind (The Storyteller Trilogy Book 2)

Synopsis

In an ancient time of icy splendor at the top of the world, can two people whose spirits belong to each other overcome the senseless violence between their tribes? A wise storyteller and powerful hunter, Chakliux has one weakness: the beautiful Aqamdax, who has been promised to a cruel tribesman she does not love. But there can be no future for Chakliux and Aqamdax until a curse upon their peoples has been lifted. As they travel a dangerous path, they encounter greater challenges than the harsh terrain and the long season of ice. Kãçâ ãâ,,ços, the woman who saved Chakliuxãçâ ãâ,,çs life when he was an infant, is now enslaved by the leader of the enemy tribe against whom she has sworn vengeance. To carry out her justice she will destroy anyone who gets in her way, even the storyteller she raised as her own son.ã ã Cry of the Wind is the second book of the Storyteller Trilogy, which also includes Song of the River and Call Down the Stars.

Wonderful insight into life among the tribes of Alaska. The author seems to have done an amazing

amount of research into ancient times and the hardships of the tribes in Alaska. The author gives a wonderful rendition of the strong bond between Aqamdax and Chakliux. The superstitions that prevailed and seemed to dominate the lives of the Alaskan inhabitants was unbelievable. I read all three books and find each one a wonderful trip back in time and into the constant struggle to simply survive.

Sue Harrison is a real master story teller. I gave this tale 5 stars for it's exciting drama and life and death survival as well as it's very believable and well researched character of the ancient north west. You will be so caught up in the tale that you won't be able to put it down. I have read all of Sue's books and they are equally exciting. You will love them all.

Another hard to put down book by this author. You become a part of the people and villages. Love the story of Aqamdax and Chakliux! Can't wait to start book 3!!!

Wonderful, couldn't put it down....can't wait for the next one!

Loved all the books in this trilogy. Hated to see it end. The story characters remained with me for days after I finished it.

Hard to put down so well written.

It was nice to have some closure on the story characters. Easy and entertaining to read, I would recommend it to anyone who enjoys historical fiction.

Sue Harrison tells a wonderful story. Her research really shows through. Her characters are vivid and you can love (or hate) them with conviction.
