Cancer: Fight It With The Blood Type Diet (Eat Right For Your Type Health Library)

Synopsis

America's most feared health problem just got dealt a major blow. Dr. Peter J. D'Adamo, the creator of the Blood Type Diet[®], which has forever changed the way people approach health, now brings readers a targeted plan for fighting cancer. This volume of Dr. D'Adamo's Health Library has specific tools not available in any other book, for preventing, treating, and reversing some of the many complications of cancer. Dr. D'Adamo's battle plan includes:

- A diet tailored to your blood type to help strengthen your immune system and maximize your health
- A new category of Super Beneficials, highlighting powerful cancer-fighting foods for your blood type
- Blood type-specific protocols for vitamins, supplements, and herbs to help keep you strong while you are undergoing chemotherapy, radiation, and surgery for cancerous conditions
- A four-week program to get started, offering practical strategies for eating, exercising, and living right to fight cancer

Customer Reviews

Wonderful book chalked full of information! Dr.. Peter d'Adamo is just excellent and his research

about the blood types is phenomenal and wonderful addition to home health library....Book arrived nicely packaged, neat, as promised, and it arrived in a timely manner.

Talk about a wonderfully written book, this one really kept me interested. I loved the way the author explores the different aspects of his subject matter. It really is refreshing to see that medical professionals can have such a solid, common sense approach to preventing cancer through eating habits. This is something that we all know to be true down deep inside, but having a doctor explain it in the vernacular is certainly exciting. I highly recommend this book. It was wonderful.

EXCELLENT BOOK. VERY INFORMATIVE FOR EACH SPECIFIC BLOOD TYPE,

This book is top of my list I use it every day. I would recommend this book to anyone.

sensible guide line - as time goes on we will see if there are benefits attached to the recommendations

Very satisfied overall!

Very helpful and informative

Perfect book recommend everyone to purchase for your blood type
