Customer Reviews

I bought this for my just turned two year old twin boys. I read this to them while they are in their highchairs eating and they love this book. Its got a cute little rhyme that I have already memorized and bright tail feathers. My one son cries when the book is over and I have to read it over again. Of all the books that I have read to them, this is their most favorite.

"Five Silly Turkeys" is a silly story that a toddler will want to hear again and again. The turkeys disappear one-by-one, each seeming to meet some terrible fate, until SURPRISE! We find them all eating Thanksgiving dinner together on the last page. Everybody loves a happy ending! This board book is very sturdy, and the turkey's soft "tail feathers" make the pages easy for little hands (and old arthritic hands) to turn! I loved the colorful, creative illustrations, too.

Very cute!!! One of those books that will be read over and over again and brought out every year to

read again!!! Year old child loved this adorable story!!

Wonderful book for young children! I'm an early intervention teacher and I stumbled upon this book by happy accident. I read the reviews and was sold. When I got the book I was even more sold! My kids are enjoying the rhyming adventures of these cute little turkeys. I have always been on the lookout for a good "Thanksgiving" book that would be meaningful to my little ones (birth to age 3) and I sure found it with this one! What FUN!

Short, sweet story about 5 turkeys leading up to their (vegetarian) Thanksgiving celebration. The crinkle "feathers" on the side are sure to entertain little ones of varying ages.

Great silly Thanksgiving book that is loved by my 2 & 4 year old children.

ADORABLE

My 15-month old granddaughter loves this book and its shiny, crinkly fabric tail feathers, which unfortunately aren't shown in this picture. The fabric is easy for her to grab to turn the pages and manipulate the book. The rhymes and illustrations are cute. Great little book for a toddler.
