Warwolfe (de Wolfe Pack Book 1)

Synopsis

*** A USA Today Bestselling book, ranked #110 on the USA Today Bestseller list 6/11/17! ***1066
A.D. - Discover the origins of the original de Wolfe pack, led by the man known as WARWOLFE. Before the Duke of Normandy conquered England, a legend arose. A man so fierce, so brave, and so noble, that the mere whisper of his name could strike both fear and admiration into the hearts of all men. That name is Warwolfe. Gaetan de Wolfe is this man. A legend from a family of legends, the greatest de Wolfe warrior arises as William the Conqueror sets foot in England to claim what he believes is his birthright. Gaetan brings with him nine of the fiercest knights the realm has ever seen, plowing their way into the English countryside, forging their legacies at the Battle of Hastings. But when one of Gaetan's men is kidnapped by the rogue brother of the Earl of Mercia, Gaetan refuses to let his man go. His loyalty to his men is above all. A rescue mission of epic proportions begins. Guiding the original de Wolfe Pack on this task into deadly enemy territory is a lady warrior known as Ghislaine of Mercia. The sister of the man who kidnapped Gaetan's knight, her loyalties are torn. Wary of the big Norman knight with the fierce manner, her attraction to Gaetan is nonetheless undeniable. There is a spark between them that refuses to die. Together, Gaetan and Ghislaine embark on a dangerous adventure where myths are revealed, loyalties are tested, and where a growing passion between them becomes all-consuming. Live the legend.

Customer Reviews

Hear Ye, Hear Ye (or, as we might say today, "Heads Up"!) lovers of the medieval genre, Kathryn Le Veque's WARWOLFE is a stunning work, not to be missed! Breathtaking adventure, suspense, and a lovely romance all combine to create an epic novel, with thrills and chills guaranteed to keep the reader on the edge of their seat! Rich historical detail, and vivid descriptions transport you to another time and place. I never cease to be amazed at Kathryn Le Veque's ability to give her readers a bird's eye view of the action. I could hear the thunder of the horse's hooves, the clash of the swords, the warmth of a fire...just spectacular imagery. Duty. Honor. Country. These are words that Gaetan de Wolfe and his elite group of Knights live by. When one of their Brothers-in-Arms is captured by the enemy, a search and rescue mission is launched and these brave Knights will risk their very lives to save their friend and fellow Warrior. Aided by Ghislaine of Mercia, a lady warrior who just happens to be the sister of the man who holds Gaetan's Knight prisoner, danger and breathtaking adventure await. Ghislaine is increasingly drawn to Gaetan, who is the enemy. Yet, Ghislaine possesses honor, a virtue that guides her, as she is faced with the knowledge that the choices that she makes could mean life or death to the captured Knight. WARWOLFE is a captivating read, and Kathryn Le Veque's love for this genre shines in this work! A Ten-Star spectacular read - Don't miss it!

Warwolf by Kathryn Leveque, I have read several books by this author and I have loved all of them, this one was no exception. I have learned a lot about Knights, honor, brotherhood, and sacrifice from reading the amazing stories Kathryn writes, but even more so from this newest release Warwolf. It takes you from the heat of battle, where mercy is shown among strength, and power. One comrade lost in battle puts no one left behind, to the test. They may be strong. Seemingly invincible, but this brave group of knights suffer pain, setbacks as they try and get their brother back. An enemy turned ally it was awesome to read about a female warrior (hero). It continually amazes me how Kathryn Leveque keeps coming up with new storylines, and characters that are so new, with surprising twists and turns. Another awesome book from the queen of medieval romance and adventure!

This book puts all of the rest of Kathryn LeVeque's Medieval books into perspective. It's a story about how all of the great houses came into being at the battle of a Hastings. But it is really the story about Gaetan deWolfe, a Norman and Ghislaine, a Saxon noble. These two came together as adversaries and ended up in love. And so begins the great house of deWolfe. The actual book starts out in the modern world, where an English scholar finds a book with that tells the overall story about what happened to several knights, the Ange du Guerre, who fought as a team in the battle of Hastings, and that draws you into the story. I thoroughly enjoyed this book and really wanted more, as usual when you read a Kathryn LeVeque novel.

Abigail Devlin was doing research for her Ph.D in Medieval History at the University of Birmingham. She had spent the last nine months at the battlefield of Hastings or at the Museum studying the artifacts. Mr. Peters Groby had told her much of the history of England and the history of the Battle of Hastings. She was looking for the unsung heroes of the Norman Invasion and their impact upon the Conquest. Mr. Groby took her to see Queensborough Browne at his home that looked medieval to see what he had collected on the subject. She explained to him that she wanted to give voice to those who have never had their stories told. Queensborough believed her and let her know what he knew. Then the story of Gaetan de Wolfe, first Earl of Wolverhampton, known as Warwolfe along with de Lohr, de Russe, de Reyne, de Moray, de Winter, de Lara, de Hever, de Reims and Wellesbourne all come to life. Ghislaine was the sister of Edwin, Earl of Mercia and an enemy warrior woman, also known as the Beautiful Maid of Mercia. During a battle she was laying on a Knight to protect him because she knew he could be useful. Her black hearted brother Alary took him from her, so she went to Gaetan to get revenge on her brother. Medieval just got real. I feel as I know these Knights personally and Kathryn Le Veque made them breath again. This started a romance like none other. This is an epic story.

I can't believe that Kathryn Le Veque never, ever fails to write a book so explosive that I come away feeling as if I know and love the characters. I worried, I laughed, I cried, and I hated to read the last page because I knew it would leave the sense of loss of having come to know and love these characters. Luckily for me, she has provided a book with the family trees so I can make connections between all the forthcoming, equally amazing characters in Kathryn Le Veque's Medieval world through which I pass! Can't wait until the updated version comes out in print so I can refer to it as I read. This is an absolute must read from one of my favorite, very gifted writers!
