Customer Reviews

Wow the story line of searching for self. And learning her needs. Wow the love that came with perfect dominance. She was delivered..and him too. Can not wait to read book 2.

I loved all of the slaves at The Compound. Alexis has had such a hard time at flying and training, what's her key to the situation? Can it be the hot Master Paul? True love might just fix everything.

Very good read. I could not put it down.

I have long been a fan of Claire Thompson and this book underscores the reason why. She can be counted on to consistently provide BDSM erotica with a happily ever after. She is a true genius!

Intensely BDSM with a reality of what the word slave means. Well written with a solid knowledge of BDSM reality. A BDSM love story worth reading.

Great story. Loved all the characters. My heart was engaged the whole time. Love this writer and look forward to her next book.

Ms. Thompson can be hot and this book is chock full of whips and floggers. If you like some pain with your fun give it a try.

Very good. This is a bit different than a bdsm story, slave training that was without trust share with a master but a desire to please and submit with the Need To be loved.
