## Synopsis

My father says that a journey should always change your life in some way. Well, when you have nothing, I suppose a journey promises everything."Diamonds for everyone." That's what fifteen-year-old Patson Moyo hears when his family arrives in the Marange diamond fields. Soon Patson is working in the mines along with four friends, pooling their profits for a chance at a better life. Each of them hopes to find a girazi, a priceless stone that could change their circumstances forever. But when the government's soldiers come to Marange, Patson's world is shattered. Set against the backdrop of Zimbabwe's brutal recent history, *Diamond Boy* is the story of a young man who succumbs to greed but finds his way out through a transformative journey to South Africa in search of his missing sister, in search of freedom, and in search of himself. A high-stakes, harrowing adventure in the blood-diamond fields of southern Africa, from the critically acclaimed author of *Now Is the Time for Running*.

## Customer Reviews

Gr 9 Up — Patson Moyo's life is perfectly ordinary. He is on the cross-country team with his best friend, Sheena. His father, a teacher, is often a little dreamy but a wonderful storyteller. His perky little sister, Grace, loves to play games on his cell phone. Patson never would have guessed that his smart, university-graduate father, who had won the Outstanding Teacher Award four years in a row, can barely make ends meet, due to government corruption and the massive devaluation of the Zimbabwean dollar. Egged on by Patson's stepmother, Sylvia, the Moyos decide to improve their situation by traveling to Marange where Sylvia's brother lives and it is claimed that there are "diamonds for everyone." The power of Patson's story is rooted in the very mundane rites of daily life that even modern American teenagers will find familiar — the emoticon-filled texting between Patson and his sister, the angst and anxiety of a kiss between friends — juxtaposed with the real and menacing danger of the brutal whims of corrupt army officers and traitorous fellow miners. *Diamond Boy* is a companion novel to Williams's other book about war-torn Zimbabwe, *Now Is the Time for Running* (Little Brown, 2013). Readers of his past work will find a few familiar characters here, but even readers new to Williams's fiction will be similarly engrossed by his deft, unflinching prose. Teens will be left haunted by Patson's harsh yet essentially hopeful journey, where greed, despair, luck, and wonder intertwine on the diamond fields of Marange. — Evelyn Khoo Schwartz, Georgetown Day School, Washington, DC --This text refers to an out of print or unavailable edition of this title.

Praise for Diamond Boy: An Amelia Elizabeth Walden Award Finalist  
An .ca Best Books of December 2014 for Children and Teens Selection\* "A compelling novel that brings home the desperate lives of exploited poor, and Diamond Boy will give every civilized reader pause...More than simply a good read,Diamond Boy is a multilayered, teachable novel with a variety of approaches and is highly recommended for middle and high school collections." "VOYA (starred review)" "[A] riveting tale...Williams draws from real events to bring this harrowing story to life, infusing Patson's narrative with terrifying accuracy. Along the way, the story crosses over with Williams's 2011 novel, Now Is the Time for Running, though readers need not be familiar with that book to be gripped and horrified by the troubles facing Patson and his nation."
