The Astonishing Power Of Emotions 8-CD Set

Synopsis

This leading-edge CD set by Esther and Jerry Hicks, who present the teachings of the Non-Physical entity Abraham, will help you understand the emotions that you've been experiencing all of your life. Instead of the out-of-control, knee-jerk reactions that most people have to their ever-changing life experience, this work will put those responses into a broader context. You'll come to understand what emotions are, what each of them means, and how to effectively utilize your new awareness of them. As you listen, you'll come to appreciate, and make peace with, where you are right now, even though there is so much more that you may desire. Every thought you absorb will bring you to a greater understanding of your own personal value and will show you how to open your own doors to whatever you may wish to be, do, or have.

Customer Reviews

Esther and Jerry Hicks produce and present the leading-edge Abraham-Hicks teachings on the art of allowing our natural Well-Being to come forth. They present Law of Attraction workshops in up to 60 cities a year.

This review has to be similar to my review of the Law of Attraction set, since it's so similar... same type subject matter created by the same people. BUT... this content, while similar, is more laser focused upon our internal guidance system... our emotions & what they are telling us about our path... and how to use them to guide us. This maybe one of my favorites of their series of books (so

far). This is so helpful on so many levels. And I should add, in case you're not as familiar with the Abraham-Hicks series... they are written (and read) with such personality... They are informative, but also sometimes humorous... never stuffy. It's a bit like having your favorite teacher interact with you.~~~~~Other than that... I have to give it the same review as I did the Law of Attraction collection: What a relief! I've wanted to absorb this material for a long time! I've had the books for... ever! I'd get part way through them and then get busy... other stuff got piled on... I'd misplace... you know... life on the hamster wheel. So I got these CDs and Waala! Since I drive a lot, it's a great way to make use of the time! When I need to hear something again... "Say that again... one more time?"... I just hit the

The information from Abraham is always great, but I was really disappointed to discover once again that it wasn't Abraham (Esther) that I was going to be listening to like in the Aston. Pwr of Emotions preview cd & also in the "Law of Attraction" cds which I thoroughly enjoy! Instead, it was Jerry's voice (sorry Jerry) reading the book. I enjoy hearing Esther's voice so much more & let's face it, if I were to purchase any other "channeled" audio cd, I'm going to expect the medium's voice to deliver the material not someone else reciting the information... I'll read the book myself instead (which I have also purchased along with many of their other works.) Give us more of Esther & Abraham please!

I love listening to Jerry read this book. 'Abraham' seems to take the best teachings from so many traditions and give them back in a very easy to understand way. Once again, it's about how to heal our relationships with ourselves and others by adjusting our attitudes. I just keep listening until it really sinks in and I don't have to hold onto being right and winning, just enjoying the best I can find in myself and others.

I didn't know this at my age! I was taught to disregard my emotions, but then to "follow my heart". Which is it? A long and fruitful journey came from these questions. Thank you Abraham!

Received on time and have no complaints! Thanks!

I am very disappointed with this cd set. I thought this set would be Abraham channeled via Esther, But, Noooooooo it's Jerry just reading the book at such a fast rate of speed and so monotone-no passion whatsoever! I gave up after listening to this speed reading by the 3rd

cd, Although I did fast forward through the rest seeking to hear Abraham or Esther to no avail. No Esther whatsoever... how can one absorb anything from this when if you blink an eye you miss a word from this audio book?!! At least Abraham and Esther take their time to help one understand. I should have just bought the book and read it at my pace.. at least I would've learned a thing or two. I felt this way also when I purchased the entire deliberate intent series on cd.. I so enjoy hearing Esther's great sense of humor and of course Abraham. Jerry, You're a wonderful man for seeking this out many yrs ago and I Thank you for your research and work, But please allow Esther & Abraham to expound on these teachings with their humorous deep passion and easier understanding... they truly make us all passionate about the law.. I'm sure like myself most others also savor every teaching from Abraham & Esther leaving us feeling happy to be here and wanting more out of life. But when Jerry reads on audio--do not listen while driving.. he reads way to fast! Unfortunately, I came away with nothing learned from cd set.. What a bummer. wish I could get my money back also. If you haven't purchased the book please do so and save yourself money for another book, you'll get more out of it by reading rather than listening, as I enjoy listening due to a busy schedule. 0 stars for this cd set., PLEASE CREATE AN AREA TO LET THE BUYER KNOW IF ITS A BOOK READ AND BY WHOM IE; JERRY HICKS ONLY. Thank you.

I listen to this over and over! Fabulous personal development!

I like all of Jerry and Ester Hicks recordings; I like to listen to them in my car. This is not my all time favorite of theirs, but definitely worth while.
