Think And Grow Rich For Women: Using Your Power To Create Success And Significance

Synopsis

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a powerful new book from the award-winning author of *Think and Grow Rich: Three Feet from Gold* and coauthor of the multimillion-selling *Rich Dad, Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleezza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson, Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty, and many more), outlining a master plan for success for all women.

Lechter, coauthor of the best-selling *Rich Dad, Poor Dad* (2007), revisits Napoleon Hill's 1937 self-help book from the perspective of modern women, who stand to inherit nearly \$30 trillion in global wealth. Mindful that advice on wealth accumulation can be much the same for men and women, Lechter argues that the difference in women's values calls for a different perspective. But she takes issue with the notion that women need to seek a balance between home life and career, instead counseling women to replace guilt with power to make choices to create

“one big life filled with love, family, satisfaction, success, and significance. She begins each chapter with a contemporary review of Hill’s book, then offers lessons on how women have applied his philosophy, drawing on interviews with successful women, from the founder of Mary Kay cosmetics to Condoleezza Rice to Sandra Day O’Connor. Following Hill’s example, she offers a sisterhood MasterMind compendium of inspirational quotes from women and ends each chapter with prompts for formulating an action plan to further career goals. --Vanessa Bush --This text refers to the Hardcover edition.

“Sharon Lechter has taken the best of Napoleon Hill to inspire women of all ages to Think and Grow Rich. Can you improve on a masterpiece? Yes, and this book is proof. “You have in your hands the book that can change your life and make it infinitely better NOW! Women are the best teachers and mentors of other women to be all you desire to be, do all you desire to do, have all you want to have, and inspire others to do the same or more. Drink deeply of this wisdom shared by some of the most brilliant women on the planet. Use the principle of sharing by giving this book to all the women that you love and care about. “Mark Victor Hansen, co-creator of the Chicken Soup for the Soul series and author of One Minute Millionaire “Sharon Lechter goes about her work with passion. Think and Grow Rich for Women is simply a book that needed to be written for today’s woman to help her grow and serve others. “Don Green, CEO of the Napoleon Hill Foundation “For anyone with a daughter, niece, granddaughter, sister or friend who needs a primer on how to work hard, dream big, and lead a life filled with adventure, possibility, and financial responsibility, this is the book for you. I loved it. “Adriana Trigiani, novelist, television writer, and film producer “Ideal for anyone beginning a career or needing a jump start.” Library Journal “As a successful entrepreneur, philanthropist, and catalyst, Sharon Lechter mixes wisdom from women through the ages with her own powerful experiences to map a road to success. Keys to success identified by Napoleon Hill over seventy-five years ago enjoy a make-over this time for women! “Barbara Barrett, Former United States Ambassador to Finland “This wonderful, uplifting, and highly practical book gives you the most famous and successful formula for personal achievement ever discovered. “Brian Tracy, professional speaker, author, success expert, and CEO of Brian Tracy International “The book’s focus on women and a plethora of inspirational quotes from successful

women (the only man Lechter quotes directly is Hill) makes a wonderful change from the male-dominated voice in similar titles. In addition to worksheets helping readers form their own strategies, Lechter guides readers through the program, focusing on faith (religious and otherwise), the acquisition of knowledge, and the importance of imagination and persistence. Female Hill fans will be glad to see a book that acknowledges their ambitions.

• PUBLISHERS WEEKLY

“As a successful entrepreneur, philanthropist and an international change-maker Sharon Lechter combines the wisdom and insights of women throughout the ages with her own powerful experiences to shed light on the road to success identified by Napoleon Hill over 75 years ago- but this time for women! I can only imagine Napoleon Hill doing the happy dance in Heaven when he reads what my dear friend has written to not only carry on his powerful work but revealing the undeniable importance of all women!

• Rita Davenport, speaker, entrepreneur, and bestselling author of *Funny Side Up*

“In this book, Sharon hits the nail on the head and shatters the old myth that men are supposed to be more successful than women and also shatters the glass ceiling stigma that has held women back from financial and total life success.

• John Assaraf, New York Times bestselling author of *The Answer* and *Having It All*

“Move over gents, Sharon has become the new voice of modern inspiration.

• Greg S. Reid, author of *Stickability* and *Thoughts Are Things*

“If you are looking for a book to read that will inspire your being and move you to achieve your biggest goals *Think & Grow Rich for Women* is the answer! The world of business is a much better place as even more women have become wildly successful entrepreneurs and business owners. The Napoleon Hill Foundation and one of the most brilliant individuals on the planet, Sharon Lechter, have created the perfect book for the next generation of global entrepreneurs. Sharon has a gift to bring out the best in everyone around her through her words, thoughts, and actions. The insight and wisdom that is shared in this book is exactly what every aspiring entrepreneur needs to read to understand specifically what it takes to succeed in life and business! Thank you for the brilliant gift!

• Bill Walsh, America’s Small Business Expert

“I believe that *Think and Grow Rich for Women* is the right book and written at the right time to bring Napoleon Hill’s science of personal achievement to millions of women. It is destined to become a classic for all women with desire to realize their potential.

• Dr. James Blair Hill, Napoleon Hill’s grandson

“This book is going to impact the lives of millions of women all over the world and, rightly so, as the principles that both Napoleon Hill and Sharon write about are universal and will work for everyone everywhere. Any

woman who makes the content of this book a part of her way of thinking, a part of her way of life, will accomplish every objective that comes to her mind. —Bob Proctor, A world-renowned speaker, mentor, and author of The ABCs of Success

I really love Sharon Lechter's version of Think and Grow Rich for Women. She has done a brilliant job of connecting the principals in the book to the heart, the lack of which I struggled with in the original form. But her use of Napoleon Hill's original text wrapped with modern examples of women who have implemented the principals was very powerful for me and I've walked away with a greater understanding and connection to this incredible work.

I am SO grateful I purchased this book. It's so easy to read and very relatable. Sharon makes napoleons concepts much easier to grasp as a modern woman. Very inspiring and thought provoking!

I've had the chance to see Sharon Lechter in action and I am also personally familiar with several of the women whose wisdom she includes in this book, which makes it extra compelling. An engaging read with plenty of new wisdom to think about for women at every point in their lives and career.

Great so far, I am learning a lot. Have not finished it, but it does capture how to grow a wealthy and prosperous mindset. I may need to go back and read the original after I finish this one. This book has opened my mind in other directions from the usual "work hard, get paid for your hours of lifetime". It's geared towards women with useful examples of female entrepreneurs, but I don't think it only needs to be for women. The lessons are broadly applicable. Almost wish I had just gotten the original book, but this one has the same messages.

Excellent read! I am still going through with a fine tooth comb. I want to clean all I can from this excellent book. Sharon follows Napoleon Hill's book straight down the chapters and offers exceptional advice and empowerment for women! I Highly recommend it!

Most excellent book! A must read for All women in business.

Awesome book. This is an Awesome book for women. I got it when she first came out after hearing her on the Billionaire Mentorship Call. I'm now on the Email list and looking forward to attending and

having women attend workshops or conferences that Sharon sponsors.

I thoroughly enjoyed this book! Sharon Lechter gives various reasons why we should feel proud as women today. While remaining committed to Napoleon Hill's original body of work of the 17 principles of success, she infuses them from a woman's POV. She includes real life examples of how modern successful women applied the principles in their lives. Each chapter concludes with an "Ask Yourself" discovery section. The wisdom, tips, and insights shared in the Think and Grow Rich for Women will help to fill in the gaps to your success journey. A must read for any woman who dares to believe that she can be, do, and have more!
