Dreamspeaker Cruising Guide Series: Vancouver, Howe Sound & The Sunshine Coast Revised US: Including Princess Louisa Inlet & Jedediah Island, Volume 3 (Dreamspeaker Cruising Guide)

Synopsis

These popular cruising companions offer charts, tips and data that will enhance the enjoyment and safety of any voyage. The guides feature informative and charming hand-drawn shoreline plans of selected marinas and small boat anchorages, ranging from safe all-weather havens to secluded picnic spots and marine parks. Intended to complement official hydrographic charts, the Dreamspeaker Cruising Guides accurately pinpoint both popular and little-known highlights in BC and Pacific Northwest coastal waters that every sailor, power-boater or kayaker should know. Written in the personal style of a boater's logbook, the accompanying text provides vital information about featured locations, plus notes on recreational activities for adults and children. Here you will find the best spots to anchor your boat, share a romantic sunset, enjoy a fine meal, pick blackberries in season--even locate a welcome hot shower or cappuccino! Aerial photographs illustrate safe approaches to the destinations, while full-colour scenic photographs showcase the splendour of the Pacific Northwest Coast.

Customer Reviews

"The most underrated area of our coast . . . from the bustle of downtown Vancouver to the charming villages and islands of Howe Sound and the delights of Welcome Passage, this area rewards close exploration. And there's no better guide to close exploration than the one you're holding in your hands."--From the foreword by Simon Hill, Pacific Yachting magazine

For Voyage of the Dreamspeaker "There's a jolly practicality to the text that makes this handsome book a good gift for a sailor, if not an armchair traveller."-The Globe and Mail "Nothing if not hip-nautical... This is a book no West Coast sailor worth his salt - or even a land-lubber who wants to explore the area - should be without."-The Province "Anne is no only a crack sailor, she accentuate the positive in every encounter, whether with natural beauty, natural folks, or natural disaster."-Norwesting Magazine For The Broughtons "These sailors cum authors don't just ply the water where they travel, they connect with the people and the communities. That intimacy is reflected in this popular series of cruising guides...essential for local and visiting boaters."-Teresa Bird, North Island Gazette "The completeness of The Broughtons is truly exhaustive...A valuable addition to the library of any serious cruiser"-Robert Buller, Pacific Yachting "Deeply immersed in the culture of boating, The Broughtons is an indispensable guide for any boater who wishes to visit this beautiful corner of our BC Coast... Highly recommended"-Catherine Dook, Boat Journal (Praise for the Dreamspeaker Cruising Guides) --This text refers to an out of print or unavailable edition of this title.

Clear, concise, pertinent with beautiful hand drawings (a rare treat in our computer generated, hubba hubba world) of aerial views, . We were excited about sailing these waters before reading this book, but now are even more informed and encouraged. This series has been indispensable in planning our trip and know it will continue to be as our travels unfold. Can hardly wait to get on the water and explore.

Excellent book! Very informative. Infact I have the complete series and frequently refer back to them from trip to trip before and while sailing.
