Charles Timmerman is the author of over 100 puzzle books that have cumulatively sold more than one million copies, earning over 1,000 five-star reviews. Funster.com has been dedicated to brain games since 1996. It was selected as a Yahoo! Pick of the Year.

A very nice word search book. Nice and big and there's tons of word searches in here. Gave it to my mother-in-law who is in the nursing home and she was quite pleased. She is used to the cheap word searches from the dollar and drug stores and this one is much nicer. I am sure she will enjoy it for quite a while. If I'm not mistaken, I think she even smiled for once!

I enjoy the very large print and it makes it easy for my mother to read it. I bought this book for her to help with her Alzheimer Disease.

Nice book. I do word search books while I'm waiting at the doctor's office and sometimes when I'm watching tv at home. This is a well made book. Good paper weight. The puzzles look interesting. My only issue is that the print is too large for me, larger than the large print books I get at the store. The

letters are kind of spread out too far, if that makes since. Otherwise,

I bought this search word puzzle book for my mother who is 85 years old. She enjoys keeping her mind active by doing a book a week. Great price!

Bought this for my elderly father. He enjoys these puzzles, and it keeps him sharp. The large print is helpful.

I bought this for my 89 year old mother and she can't stop raving about it. She loves the large print. She completed ten puzzles in the first day of receiving the book. I immediately bought two more similar books and sent them to her. She is thrilled with these books.

Had a great deal of fun completing the word searches in large print. Although my vision is temporarily poor due to cataracts, I was able to handle the large print.

Seems that Mr Timmerman likes to reuse words in similar locations on several puzzles, but otherwise the font size and everything is excellent.
